Dear Parents,

Greetings from DPS Dibrugarh.

I am delighted to welcome your ward to the academic year 2021-22. We are looking forward to a fruitful year ahead and this is possible only with your partnership.

We are happy to inform you that we have achieved significant success in the last two years. Our students performed incredibly well, bagging high International and Zonal ranks in SOF exams and winning top prizes in national and city level competitions. We have also grown manifold in terms of number of students.

We have introduced many new additions in the pedagogy and co-curricular activities to ensure high quality and international level of education.

As notified earlier, we will begin the session on Monday, 5th April, 2021 in offline mode.

Kindly go through the following points carefully for the smooth functioning of the school.

1. School timing will be from 8: 30 a.m. to 2: 30 p.m.
2. Covid-19 Protocol will be maintained.

They must also carry hand towels and a small bottle of hand sanitizer to school along with books and notebooks as per time table which has been provided in Whatsapp groups. No student will be allowed to share any article belonging to other students.
7. Please see that your ward comes to school in proper school uniform. Hair should be properly trimmed for boys and girls must tie their hair with black hair band, if they have shoulder length or longer hair.
